- Services provided for OOG containers are subject to +100% OOG surcharge except inspection and weighing services. OOG surcharge for inspection and weighing services are applied as +50%.
- Invoices issued are based on the USD selling rate of exchange indicated by Central Bank of the Republic of Turkey.
- Services marked as (*) are regulated as per the tariff set by the Turkish state authorities and USD rates are determined and continuously revised as per changes in USD/TRY exchange rates.
- If x-ray, sampling and weighing services are requested by customs together with inspection services then these services are applied as 50% discount.
- Services provided for IMDG containers are subject to +20% IMDG surcharge.
- Listed charges are for standard services only and any additional manning or equipment that may be used for providing non-standard services will be charged separately.
- This document is for information purposes only and SOCAR Terminal reserves its rights to make any changes in the tariff.
- SOCAR Terminal reserves its rights to refuse providing services if it deems necessary.

Yours faithfully, SOCAR Terminal
